2025 Show Information

Welcome to the Gopher State Timing Association's 67th Annual Rod & Custom Spectacular at the new location - Canterbury Park! Join us Saturday April 12th from 9am to 8pm and Sunday the 13th from 9am to 6pm for an unforgettable automotive experience as Brainerd International Raceway presents the best hot rods, customs, street machines, trucks, and motorcycles found anywhere! After checking out the displays and booths at the show Saturday enjoy live music from the Rockin Hep Cats from 5pm-8pm. Sunday at 5pm stay to watch the award ceremony and trophy presentation, where over \$7500 in prizes will be awarded.

This is your only chance to see the Famous Ohio George Montgomery "Boss Turbo" 1972 Ford Mustang in Minnesota. This Radical Twin Turbo Funny Car, sponsored by Richard David Legacy Motors, will be a sight to see at the show! Also check out The Polar Devils Bonneville land speed record contender: A 1933 Ford 5W coupe, built by Union Speed & Style.

Back this year, GSTA proudly sponsors the Newgate School. Newgate is a post-secondary non-profit automotive technical school dedicated to providing tuition-free training and career placement support for under served young adults in the Twin Cities and surrounding areas. One of Newgate's initiatives, the Wheels for Women Program, focuses on assisting single working moms. Through vehicle donations, Newgate helps these moms by inspecting and refurbishing the donated vehicles through their Auto Mechanic and Auto Body Training programs. Selected reconditioned vehicles are then donated through Wheels for Women, serving as a meaningful way for students to give back to the community. Newgate has awarded nearly two million dollars' worth of vehicles to working mothers in and around the Twin Cities.

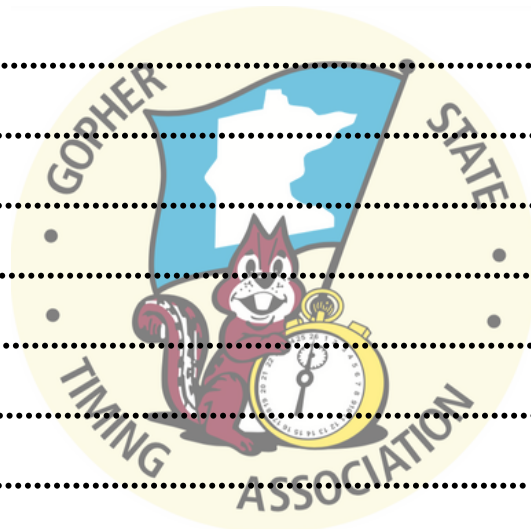

Kids don't forget to complete the Scavenger Hunt of amazing car show adventures including competing with a drag racing Christmas Tree, sitting in a real race car, and be a GSTA Judge and vote for your favorite entry for the Kid's Choice Trophy! Stop by and see SGT Hot Wheels and receive your own Hot Wheels car!

Returning again this year is the Model Car Spectacular, displaying several incredible models showcasing the builder's skills and talents. Be sure to stop by and check out their unique display!

Visit Gopher State Timing Association on the World Wide Web at gstarod-custom.com. Also find us on Facebook and Instagram! Stay tuned for exciting updates as we continue to innovate and bring you unforgettable experiences. Get ready to be amazed by what is in store for the future of GSTA events! Some exciting announcements will be coming shortly!
